WEBSITE packages

You know you need a web presence, but what does that really mean?

Well, it depends on what you want to accomplish. By understanding your goals, we can tailor a website to be as unique as your business with measurable results.

Whether you need a one-page website, an interactive e-commerce site or anything in-between, we have a package to suit every objective and budget.

Design Group will make your web presence a successful venture for your business.

Our complete line of creative services will ensure your brand image remains consistent across all platforms. We offer everything from trade show exhibits & displays to graphic design, branding, photography and advertising.

Changes, Additions & Other Editing

You'll have complete access and control over your new website once it's complete, but you may prefer to have Design Group handle your editing & updating for you. If so, changes are simply billed at an hourly rate. If you have extensive changes, we will be happy to give you a quote so you'll know exactly how much you'll be billed.
